Honey Bee Network

Breed Saviour Awards 2018

Criteria for Selection:

- The Breed Saviour Award 2018 is being organized by SEVA in association with volunteers of Honey Bee Network and the National Bureau of Animal Genetic Resources. The Breed Saviour Awards are supported by the National Biodiversity Authority, Chennai. A total of 20 awards will be announced in this round, with an award prize of Rs. 10,000/- and a certificate for each selected entry related to the in-situ conservation of local breeds or defined populations. The travel costs (train, sleeper class) and stay of selected awardees and one accompanying person / NGO will be provided for attending the Award ceremony. The award function is tentatively proposed to be convened on 22 May 2019 at NBAGR, Karnal, Haryana .
- The selection of award will be announced during March 2019 and will be published on the SEVA website at the following link : <http://www.sevango.in> . The final announcement of selection of award will be announced by the end of March 2019.
- The merit of each livestock keeper - his/ her / family role in breed conservation / breed development, sustaining conservation through increased income from the conserved breed or its products, value addition, breeding services will be the criteria for evaluating entries.
- Cash awards will only be given to livestock keepers and not to professionals, scientists and NGOs. However informal groups, communities, breeders associations, *Gaushalas* and / or individuals can be considered for the award. For a given breed, attempts will be made to restrict the award only to two livestock keepers / group /communities (considering also the earlier 8 rounds of awards during 2009 - 2017) so that a wider group is covered in the overall award process. Breeds that have received awards in previous years are not eligible for inclusion during the 2018 awards (these are the Deoni cattle, Kangayam cattle, Bargur cattle, Kankrej cattle, Vechur cattle, Pulikulam cattle, Kasaragod cattle, Khillar cattle, Malnad gida cattle, Binjharपुरi cattle, Malaimadu cattle, Punganur cattle, Ongole cattle, Nallamala cattle, Dwarf cattle, Siri cattle, Gaolao cattle, Umbalacherry cattle, Gir cattle, Banni buffalo, Toda buffalo, Bargur buffalo, Nagpur buffalo, Arunchal yak, Mecheri sheep, Deccani sheep, Katchakatty black sheep, Coimbatore sheep, Ramnad white sheep, Madras red sheep, Vembur sheep, Magra sheep, Pattanam sheep, Attapadi black goat,

Osmanabadi goat, Ganjam goat, Salem Black goat, Kanniyadu goat, Osmanabadi goat, Malabari goat, Beetal goat, Molaiyadu goat, Kharai camel, Marwari camel and Kachchi camel, Jaisalmeri camel, Halari donkey, Mudhal hound dog). For information on the previous 8 rounds of the award process, profiles of awardees kindly refer to the SEVA website <http://www.sevango.in>. We will send the list of breedwise earlier awardees if one requests through our e-mail : vivekseva@gmail.com

Last date for Submission :

The entries should be submitted only in the 'Model proforma' format enclosed.

The last date for receipt of the completed applications is 31 January 2019.

Selection Committee :

- A 3 member selection committee will include one official nominee from NBAGR, Karnal. The decision of the selection committee will be final and binding.
- Verification of claims will be undertaken for selected cases if it is needed with the help of few independent experts / scientists from universities / KVKs etc.
- In addition, the participation of other Networks / NGOs, Government Departments and Scientists are expected and they will be duly acknowledged for their role in the process of the programme.
